Welcome to the SCPD Pickleball Ladders! We're making a change this season.

INSTEAD OF SEPARATE MEN'S AND WOMEN'S LADDERS, WE'RE MOVING TO ONE CO-ED LADDER WITH 3 LEVELS:

- **Tuesdays:** Beginner & Low Intermediate (starts Nov 3)
- **Fridays:** Intermediate (start date to be announced soon)
- **Mondays:** Advanced & High Intermediate (start date to be announced soon)

WHY WE'RE DOING IT

- **Better games.** You'll play people at your own level, whatever their gender. That means closer, more competitive matches and fewer lopsided games.
- **Fuller courts.** Each level draws from a bigger pool of players, so it's easier to fill courts every week, with fewer cancelled or short games.
- **More ways to play.** You can now play with and against friends, partners and neighbors who used to be in another ladder.

WHAT THIS MEANS FOR YOU

- Sign up for the level that fits your game on an average day. If you're not sure, pick the closer fit, and your coordinator can help you adjust after the first week or two.
- Each level has its own coordinator, so you'll only hear about your own level.
- The way the ladder works stays the same.
