

Greetings, Picklers!

We're excited to announce that the **Couples Ladder is back for our fourth season!**

We're looking forward to another fun season of pickleball, friendly competition, and spending time with great couples on the courts.

SAVE THE DATE!

Our first Couples Ladder match will be **Thursday, November 5th at 6:00 PM.**

Our first sign-up email will be sent on Monday, November 2nd,

asking if you and your partner are available to play in the November 5th match.

Please watch for that email and respond promptly if you would like to play.

After our opening match, the Couples Ladder will continue **every Thursday.**

We have been given **all 12 courts**, which allows us to accommodate **24 couples each week.**

Because space is limited, please only sign up if you are committed to playing.

If you reserve a spot, we are counting on you to be there.

With a large number of teams interested, spots will be filled on a

first-come, first-served basis according to the email time stamp.

Please arrive by **5:45 PM** to warm up, check in, and find your court assignment. Games will begin promptly at **6:00 PM.** If everyone on your court is present and the court is available, you may begin early.

As in previous seasons, we will keep scores, but **scores will not be published.** They will only be used to help us create balanced and competitive matches as the season progresses.

Most importantly, the Couples Ladder is about **having fun, meeting other couples, and enjoying pickleball together.** Please bring a friendly attitude and a little patience as we work to create the best matchups. It may take a few weeks for the ladder percentages to settle in.

A couple of housekeeping items: If you no longer wish to receive these emails or participate in the Couples Ladder, please let us know and we will remove you from the distribution list.

Also, if you know another couple who is not currently part of the Couples Ladder but would like to join us, **please feel free to forward them our contact information** so they can get in touch with us.

We're looking forward to another great season!

Let's play pickleball and have some fun!
